Dan, by way of this email, I'd like to introduce you to Jolene, who works with the valet parking company that operates the parking structure just under Madame Tussaud's. As you can imagine, that parking service is significantly impacted every time there is a street closure. When Angela staffed the Street Closure Advisory Committee, Jolene would attend, but when the transition occurred, she dropped off the list.

This year has been particularly impactful on their business – so I wanted to see if she could start attending again.

Her email and contact info is below.

Many thanks!

Kerry
